

Facilitator Training

The *People Empowering People* program develops personal & family skills, with a strong community focus. A trained PEP facilitator recruits and

interviews participants, conducts ten weekly two-hour sessions followed by bi-monthly or weekly follow-up sessions, and supports participants in community projects. This training is for individuals who have experience facilitating groups.

Robin Drago, Parent Educator at Charter Oak Academy Family Resource Center in West Hartford and an experienced PEP facilitator, will be conducting the training.

The cost for the two day training is \$200.00 per person. This fee includes training, the 200 page PEP manual and morning refreshments, as well as the opportunity to attend the one to two technical training/support sessions conducted each year.

*PEP Training Is Generally Two Days and Starts At 9:00 am Each Day
